- (2) **Volkswagen Financial Services (UK) Limited**, a limited company incorporated under the laws of England and Wales, with registered number 02835230 and having its registered office at Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, United Kingdom, as seller and servicer (the "**Seller**" and the "**Servicer**", or in any capacity, "**VWFS**"); and
- (3) **Intertrust Trustees GmbH**, a private limited liability company (*Gesellschaft mit beschränkter Haftung*) incorporated under the laws of Germany and having its registered office at Eschersheimer Landstraße 14, 60322 Frankfurt am Main, Germany, registered with the commercial register (*Handelsregister*) of the local court (*Amtsgericht*) of Frankfurt am Main, Germany under HRB 98921 (the "**Security Trustee**" which expression shall, where the context so admits, include all other persons for the time being acting as security trustee pursuant to the Trust Agreement and the Deed of Charge and Assignment).

WHEREAS

- (A) VWFS has entered into various agreements for the provision of credit in relation to the purchase, by way of hire purchase, lease purchase or personal contract purchase, of motor vehicles by its customers in the ordinary course of its business pursuant to which such customers shall be obliged to make periodic payments in respect of Receivables.
- (B) The Seller has agreed to sell and the Issuer has agreed to purchase (for allocation to its Compartment 7) the Seller's right, title and interest in and to certain Receivables together with the related Ancillary Rights, in accordance with the terms of the Receivables Purchase Agreement.
- (C) The Issuer is a securitisation company established under the Luxembourg law of 22nd March 2004 on securitisations. The Issuer is willing to appoint the Servicer to provide certain management and administrative services to the Issuer and the Security Trustee in relation to the portfolio of assets composed of the Purchased Receivables as further defined in this Agreement on the terms and subject to the conditions contained in the Trust Agreement and the Deed of Charge and Assignment.

IT IS AGREED AS FOLLOWS:

1. DEFINITIONS AND INTERPRETATION

- 1.1 Unless otherwise defined in this Agreement or the context requires otherwise, words and expressions used in this Agreement (including the Recitals and Schedules) have the meanings and constructions ascribed to them in clause 1 of the Master Definitions Schedule (the "**Master Definitions Schedule**") set out in the Incorporated Terms Memorandum dated on or about the date hereof, as amended and restated from time to time, (the "**Incorporated Terms Memorandum**"). The terms of the Master Definitions Schedule are hereby incorporated by reference into this Agreement, and shall be construed in accordance with English law notwithstanding the terms of clause 14 of Schedule 2 of the Incorporated Terms Memorandum.

- 1.2 If there is any conflict between the Incorporated Terms Memorandum and this Agreement, this Agreement shall prevail.
- 1.3 Terms in this Agreement, except where otherwise stated or the context otherwise requires, shall be interpreted in the same way as set forth in clause 2 of the Incorporated Terms Memorandum, as if the Incorporated Terms Memorandum was governed by and construed in accordance with English law.
- 1.4 The terms "controller", "personal data", and "processing" have the meaning given to them in the Data Protection Rules.

2. **APPOINTMENT OF SERVICER**

- 2.1 With effect from the Closing Date and until termination pursuant to clause 6 (*Servicer Replacement and Termination*), the Issuer and the Security Trustee (according to their respective interests) hereby each appoint the Servicer as its lawful agent and, in its name and on its behalf, to provide the Services and the Servicer hereby accepts such appointment in accordance with the terms and conditions of this Agreement. For the avoidance of doubt, the Security Trustee only appoints the Servicer as its lawful agent and, in its name and on its behalf, to provide the Services after the delivery of an Enforcement Notice.
- 2.2 The Servicer shall have no authority by virtue of this Agreement to act for or represent the Issuer or the Security Trustee as agent or otherwise save in respect of those functions and duties which it is authorised to perform and discharge by this Agreement and for the period during which this Agreement so authorises it to perform and discharge those functions and duties.
- 2.3 In connection with the rights, powers and discretions conferred under the foregoing provisions of this clause 2 (but subject to any express limitations imposed by any other provisions of this Agreement or of any other Transaction Document), the Servicer shall have the full power, authority and right to do or cause to be done any and all things which it reasonably considers necessary, convenient or incidental to the exercise of such rights, powers and discretions in relation to the performance of the relevant Services.
- 2.4 The Issuer (and the Issuer's directors) shall not be required or obliged at any time to comply with any directions which the Servicer may give with respect to the operating and financial policies of the Issuer, control of which is, and shall at all times remain, vested in the Issuer and its directors and the Servicer agrees that it will at all times act consistently with this provision.
- 2.5 For the avoidance of doubt, save as expressly provided elsewhere in this Agreement or any of the other Transaction Documents, nothing herein will be construed so as to give the Servicer any rights, powers or discretions to represent the Issuer as agent or to negotiate or enter into any contract or agreement on behalf of, or binding on, the Issuer.

3. **STANDARD OF CARE**

The Servicer shall, at all times during the term of this Agreement, devote or procure that there is devoted to the performance of its obligations under this Agreement at least the same amount of time and attention and that there is exercised the same level of skill, care and diligence in the performance of those obligations, the exercise of its discretions under the Agreement and its exercise of the rights of the Issuer and the Security Trustee in respect of the Purchased Receivables, the Financing Contracts and the Vehicles as it would if it

were administering motor vehicle hire purchase agreements, lease purchase agreements and personal contract purchase agreements in respect of which it held the entire benefit (both legally and beneficially) and, in any event, will devote all due skill, care and diligence to the performance of its obligations and the exercise of its and their discretions and rights hereunder but the Servicer shall not be required to do or cause to be done anything which it is prevented from doing by any applicable laws, regulations, judgments and other directions or orders to which it or any Purchased Receivable, Ancillary Right or Vehicle may be subject.

4. DELEGATION

4.1 Subject to clause 4.2, the Servicer may, at its own expense and with the prior consent of the Issuer, appoint any sub-contractor, sub-agent, delegate or representative to carry out all or part of the Services on such terms as it thinks fit provided that:

- (a) no such consent shall be required in the case of any appointment of a sub-agent, sub-contractor, delegate or representative which is an Affiliate of the Servicer or a third party to whom the Services are delegated by the Servicer pursuant to its Customary Operating Practices;
- (b) such arrangement does not prejudice the Servicer's ability to carry out its obligations under this Agreement;
- (c) such sub-agency, sub-contracting or delegation will not result in an increased likelihood of the Issuer's costs of financing the Receivables increasing or a material adverse effect on the tax position of the Issuer;
- (d) the Servicer has given written notice to the sub-agent, sub-contractor, delegate or representative of the Issuer and the Security Trustee's respective interests in and title to the Purchased Receivables and the sub-agent, sub-contractor, delegate or representative has acknowledged such notice and agreed to hold all Servicer Records to the order of the Issuer and the Security Trustee; and
- (e) neither the Issuer nor the Security Trustee shall have any liability for any Liabilities payable to or incurred by such sub-agent, sub-contractor, delegate or representative or arising from the termination of any such arrangement.

4.2 Notwithstanding any sub-agency, sub-contracting or delegation of the performance of its obligations under this Agreement:

- (a) the Servicer shall not thereby be released or discharged from any liability under this Agreement and shall remain responsible for the performance of the obligations of the Servicer under this Agreement and the performance or non-performance, and the manner of performance, of any sub-agent, sub-contractor, delegate or representative of any of the Services and shall remain liable for any right, remedy or cause of action that may arise as a result of any act, failure to act or omission on the part of any such sub-agent, sub-contractor, delegate or representative; and
- (b) any breach in the performance of the Services by such sub-agent, sub-contractor, delegate or representative shall be treated as a breach of this Agreement by the Servicer, save that where such breach is capable of remedy, it shall only be treated as a breach of this Agreement by the Servicer if not remedied by the Servicer within fourteen (14) days of the earlier of the Servicer becoming aware of such breach (or such shorter period which, if exceeded, would result in a Foreclosure Event) and

receipt by the Servicer of written notice from the Issuer or the Security Trustee requiring the same to be remedied.

4.3 The Issuer and/or the Security Trustee may require the Servicer to assign to the Issuer and/or the Security Trustee, as the case may be, any rights which the Servicer may have against any sub-agent, sub-contractor, delegate or representative arising from the performance of the Services by such sub-agent, sub-contractor, delegate or representative.

4.4 If:

(a) notice has been given to terminate the appointment of the Servicer for the purposes of this Agreement pursuant to clause 6.1 (*Servicer Replacement and Termination*); or

(b) the Servicer is in breach of this Agreement by reason of failure by any sub-agent, sub-contractor, delegate or representative properly to perform its obligations relating hereto and the Servicer is not pursuing such rights as it may have against such person to the reasonable satisfaction of the Security Trustee,

the Issuer and/or the Security Trustee may require the Servicer, with effect from the date of notice to such effect, to assign to any successor servicer, the Issuer or the Security Trustee (as the case may be) or, after the occurrence of a Foreclosure Event only, to the Security Trustee, any rights which the Servicer may have against any such sub-agent, sub-contractor, delegate or representative arising from the performance or non-performance of the Services by such person.

5. **SERVICER FEE, COSTS AND EXPENSES**

5.1 Subject to and in accordance with the applicable Order of Priority and this Agreement, as consideration for the provision by it of the Services, the Servicer will be entitled to receive the Servicer Fee on each Payment Date in arrear.

5.2 As additional compensation the Servicer will be entitled to retain any Supplemental Servicer Fee paid to it.

5.3 The Servicer hereby acknowledges that it shall not have recourse against any party to this Agreement other than the Issuer for the fees described in clause 5.1.

5.4 The Servicer will pay all expenses incurred by it in connection with its collection activities and will not be entitled to reimbursement of those expenses.

5.5 For the avoidance of doubt, the Servicer will not be required to pay or fund any losses with respect to the Purchased Receivables.

6. **SERVICER REPLACEMENT AND TERMINATION**

6.1 If a Servicer Replacement Event occurs and is continuing, the Issuer may, with the consent of the Security Trustee, or the Security Trustee may itself, elect to terminate the Servicer's appointment hereunder by giving written notice of such election (such notice, a "**Servicer Termination Notice**") to the Servicer and specifying the date of such termination in such notice provided that such termination shall not take effect until a successor servicer has been appointed in accordance with the provisions of clause 6.11.

- 6.2 After receipt by the Servicer of a notice from the Issuer or Security Trustee pursuant to clause 6.1 but prior to the Servicer Termination Date, the Servicer shall:
- (a) hold to the order of the Issuer and the Security Trustee (or such person as the Issuer shall direct) the Purchased Receivable Records, the Servicer Records and the Transaction Documents;
 - (b) hold to the order of the Issuer and the Security Trustee any monies then held by it on behalf of the Issuer together with any other assets of the Issuer then held by it;
 - (c) other than as the Issuer or the Security Trustee may direct pursuant to paragraph (e) below, continue to perform all of the Services (unless prevented by any applicable laws, regulations, judgments and other directions or orders to which it may be subject) until the time and date specified in a Servicer Termination Notice or until the date mutually agreed between the Servicer, the Issuer and the Security Trustee;
 - (d) take such further action in accordance with the terms of this Agreement as the Issuer or the Security Trustee may reasonably direct in relation to the Servicer's obligations under this Agreement, including, if so requested, giving a Notification Event Notice to the Obligors as may be necessary to enable the Services to be performed by a successor servicer; and
 - (e) stop taking any such action under the terms of this Agreement as the Issuer or the Security Trustee may reasonably direct, including, the collection of Collections, the payment of Collections into the Distribution Account, the communication with Obligors or dealing with the Purchased Receivables.
- 6.3 If a successor servicer has not been appointed by the Servicer Termination Date referred to in the relevant notice delivered pursuant to clause 6.1, this Agreement will terminate on the date of the later appointment of the successor servicer and the Servicer Termination Date will occur on this date. If a successor servicer is appointed prior to the Servicer Termination Date referred to in the relevant notice delivered pursuant to clause 6.1, this Agreement will terminate on the date of such appointment and the Servicer Termination Date will occur on this date.
- 6.4 Unless previously terminated in accordance with clause 6.1, the appointment of the Servicer under this Agreement shall terminate (but without affecting any accrued rights and liabilities under this Agreement) upon the expiry of not less than thirty (30) days' notice of termination given by or on behalf of the Issuer at any time after such time as the Security Trustee and the Issuer have no further interest in any of the Purchased Receivables.
- 6.5 From the Servicer Termination Date:
- (a) all authority and power of the retiring Servicer under this Agreement shall be terminated and shall be of no further effect;
 - (b) the retiring Servicer shall no longer hold itself out in any way as the agent of any party to this Agreement pursuant to any Transaction Document or this Agreement;

- (c) the rights and obligations of the retiring Servicer and any obligations of the Issuer, the Seller and the Security Trustee to the retiring Servicer shall cease to exist but the relevant termination shall be without prejudice to:
 - (i) any liabilities or obligations of the retiring Servicer to the Issuer, the Seller or the Security Trustee or any successor servicer incurred or arising up to the Servicer Termination Date;
 - (ii) any liabilities or obligations of the Issuer, the Seller or the Security Trustee to the retiring Servicer incurred or arising up to the Servicer Termination Date;
 - (iii) the retiring Servicer's obligation to deliver documents and materials in accordance with clause 6.14.
- 6.6 The retiring Servicer shall be entitled to receive all fees and other monies accrued owing to it under this Agreement (whether or not due and payable) pro-rated up to the Servicer Termination Date but, notwithstanding any other provisions of this Agreement shall not be entitled to any compensation as the Servicer after the Servicer Termination Date. For the avoidance of doubt such termination shall not affect the rights of VWFS, to receive payments of all amounts due to it by the Issuer and/or the Security Trustee in its capacity as Seller under the Transaction Documents.
- 6.7 Any monies so received by the retiring Servicer pursuant to clause 6.6 shall be paid by the Issuer, the Security Trustee or the Seller, as the case may require, at all times on which they would otherwise have fallen due under this Agreement, subject always to the provisions of this Agreement including the applicable Order of Priority.
- 6.8 Any provision of this Agreement which is stated to continue after termination of this Agreement shall remain in full force and effect notwithstanding termination. Without prejudice to the generality of the foregoing, the provisions of this clause 6 shall continue in force after the termination of this Agreement.
- 6.9 After the delivery of a written notice pursuant to clause 6.1 giving notice of the future termination of the appointment of the Servicer by consent, the Issuer with all reasonable support from the Servicer shall use all reasonable endeavours to procure that an entity which may be appointed as successor servicer under clause 6.10 is so appointed under clause 6.11 on or before the Servicer Termination Date.
- 6.10 An entity may be appointed as successor servicer only if:
 - (a) it has experience of administering assets reasonably similar to the Purchased Receivables being administered by the Servicer or be able to demonstrate that it has the capability to administer assets reasonably similar to the Purchased Receivables being administered by the Servicer;
 - (b) it has the permissions pursuant to FSMA necessary to administer the Purchased Receivables on behalf of the Issuer;
 - (c) it has a net worth of not less than £25,000,000;
 - (d) it is willing to enter into an agreement with the parties to this Agreement (other than VWFS except in its capacity as Seller) which provides for the successor servicer to be remunerated at such a rate as is agreed by the Issuer but which does not exceed the rate then commonly charged by providers of services of the kind described in

this Agreement and required by this Agreement to be provided by the Servicer and is otherwise on substantially the same terms as those of this Agreement; and

- (e) the Security Trustee has consented to its appointment.
- 6.11 The successor servicer shall be appointed by the Issuer and the Security Trustee with effect from the Servicer Termination Date by the entry of the successor servicer, the Issuer and the Security Trustee into a replacement servicing agreement which complies with the provisions of clause 6.10.
- 6.12 The Issuer shall, promptly following the execution of a replacement servicing agreement in accordance with clause 6.11 with the successor servicer, assign its interest in such agreement in favour of the Security Trustee in the terms of the Deed of Charge and Assignment *mutatis mutandis*, to the satisfaction of the Security Trustee, to the extent that the Deed of Charge and Assignment does not already effect such an assignment.
- 6.13 The Issuer shall deliver written notice of the appointment of the successor servicer to the Rating Agencies and to each of the other Transaction Parties.
- 6.14 On the Servicer Termination Date, the retiring Servicer shall:
- (a) (save as prohibited or required otherwise by any applicable laws, regulations, judgments and other directions or orders to which it may be subject) immediately deliver or make available to (and in the meantime shall hold to the order of):
 - (i) if a successor servicer has then been appointed, such successor servicer; or
 - (ii) failing such appointment, the Issuer,

the Purchased Receivable Records, the Servicer Records and the Transaction Documents (provided that the retiring Servicer shall have the right to make and retain such copies of any such records as it desires at its own cost) and any monies then held by the retiring Servicer on behalf of the Issuer and any other assets of the Issuer then held by it; and
 - (b) take such further action as the Issuer, the Security Trustee or the successor servicer appointed to replace the retiring Servicer may reasonably direct in order to effectively transfer its rights and obligations under this Agreement to a successor servicer.
- 6.15 The Servicer hereby acknowledges that it shall at no time, whether before or after termination of its appointment under this Agreement pursuant to this clause 6, have any lien or other right of retention or possession over the Purchased Receivable Records, the Servicer Records or the Transaction Documents held by it from time to time.
- 6.16 In the case of any conflict between any instructions given to the Servicer by the Security Trustee and any other person (including the Issuer), the instructions of the Security Trustee will prevail and the instructions of such other person shall be deemed to be of no effect.
- 6.17 During any period between the date specified in the notice given by the Issuer pursuant to clause 6.1 and the appointment of a successor servicer (the "**Transfer Period**"), the retiring Servicer shall allow the Issuer and any successor servicer (together with such interested persons as are nominated in writing by the Issuer and approved by the retiring Servicer, in writing, such approval not to be unreasonably withheld or delayed) such access to its

premises and facilities, as the Issuer, the Security Trustee and such nominees may reasonably request in order to enable the retiring Servicer to perform its obligations under this Agreement within the Transfer Period and to allow the successor servicer to prepare to perform its duties.

- 6.18 Should the Issuer, the successor servicer or such nominees not be allowed such access or use during any time throughout the relevant Transfer Period, the Transfer Period shall for all purposes of this Agreement be extended by such period as the Issuer and the Security Trustee reasonably consider necessary to enable the retiring Servicer to perform its obligations under this Agreement.

7. COVENANTS OF THE SERVICER

- 7.1 The Servicer covenants as at the date of this Agreement to the Issuer and the Security Trustee, on the terms of the covenants set out in Schedule 2.

- 7.2 The Servicer's covenants set out in Schedule 2 shall remain in force until the Servicer's appointment is terminated in accordance with this Agreement but without prejudice to any right or remedy of the Issuer or the Security Trustee arising from the breach of the Servicer's covenants set out in Schedule 2 prior to the date of termination of this Agreement.

8. FORCE MAJEURE AND INDEMNITY

- 8.1 If the Servicer is prevented from carrying out any of its obligations under this Agreement as a result of the occurrence of a Force Majeure Event, the Servicer shall give notice to the Issuer and the Security Trustee as soon as reasonably practicable after being so prevented detailing the particulars of such event.

- 8.2 During any period in which the Servicer is prevented from performing any of its obligations under this Agreement as a result of the occurrence of a Force Majeure Event, the Servicer shall not be entitled to be paid its fees pursuant to clause 5 (*Servicer Fee, Costs and Expenses*) but shall remain entitled to Supplemental Servicer Fee under clause 5.2 (*Servicer Fee, Costs and Expenses*).

- 8.3 The Servicer shall indemnify, and at all times hold indemnified, the Issuer and the Security Trustee against any Liabilities whatsoever incurred by either the Issuer or the Security Trustee by reason of any breach or non-performance of the Servicer's obligations under this Agreement or the Servicer's wilful default, bad faith, fraud or gross negligence, provided that the Servicer and its directors, officers, employees or agents shall not be liable in respect of any Liabilities suffered or incurred by the Issuer or the Security Trustee as a direct consequence of any breach of this Agreement by, or as a result of the wilful misconduct or negligence of, the Issuer or the Security Trustee or any of their respective directors, officers and employees and the Servicer shall on demand pay to the Issuer or the Security Trustee, as appropriate, without any set-off, deduction or withholding whatsoever the full amount of any such cost, claim, loss, expense, liability or damages suffered or incurred by the Issuer or the Security Trustee, as the case may be.

- 8.4 Any indemnification payable by the Servicer under clause 8.3 shall not be paid from any Charged Property.

- 8.5 For the avoidance of doubt, the Servicer shall not have any liability for the obligations of any Obligor and nothing in this Agreement shall constitute the giving of a guarantee or the assumption of a similar obligation by the Servicer in respect of the performance of the Receivables.

- 8.6 Without prejudice to the obligations of the Servicer under this Agreement and the other Transaction Documents including, without limitation, the provision of the Services to the Issuer, the Servicer shall have no liability to any third party for the obligations of the Issuer under any of the Transaction Documents and nothing in this Agreement shall constitute a guarantee (or similar obligation) by the Servicer of the Issuer's obligations under any of them.
- 8.7 Without prejudice to the obligations of the Servicer under this Agreement and the other Transaction Documents including, without limitation, the provision of the Services to the Issuer, each of the Issuer and the Security Trustee consents to the Servicer acting as agent for each of the other of them and hereby waives any rights or claims it may have against the Servicer in respect of any conflicts of interest to which the Servicer may be subject in carrying out such agency under this Agreement.
- 8.8 Notwithstanding any other provision of this Agreement, the Servicer will not be required to indemnify any person for any cost, expense or liability in connection with the Transaction Documents or the transactions contemplated in such Transaction Documents, resulting from any FATCA Deduction.

9. POWER OF ATTORNEY

The Issuer shall on request by the Servicer promptly give to the Servicer any powers of attorney or other written authorisations or mandates and instruments as are reasonably necessary in the Servicer's discretion to enable the Servicer to perform its obligations under this Agreement (provided that any such power of attorney or other matter shall be subject to any express limitations that are imposed on the rights and powers of the Servicer (whether specifically in its capacity as such or generally as one of the Transaction Parties) by any other provision of this Agreement or of any other Transaction Document).

10. CONTINUATION OF OBLIGATIONS

Except to the extent that they have been performed and except where this Agreement specifically provides otherwise, the warranties, representations, indemnities, and obligations contained in this Agreement remain in force after the date on which they were expressed to take effect until the date on which the Security Trustee notifies the Issuer and the Transaction Creditors in writing that it is satisfied that all amounts secured under the Deed of Charge and Assignment have been paid in full or extinguished.

11. ASSIGNMENT AND SUBCONTRACTING

- 11.1 This Agreement shall be binding upon and enure to the benefit of each Transaction Party which is a party to this Agreement or is otherwise bound by its terms and its or any subsequent successors and assigns.
- 11.2 Except where this Agreement provides otherwise or with the prior written consent of the Security Trustee, a Transaction Party (other than the Security Trustee) may not assign or transfer or purport to assign or transfer a right or obligation under this Agreement.
- 11.3 Each Transaction Party which is a party to this Agreement (other than the Security Trustee) is entering into this Agreement for its benefit and not for the benefit of another person.
- 11.4 Except where this Agreement specifically provides otherwise, a Transaction Party may not subcontract or delegate the performance of any of its obligations under this Agreement.

12. VALUE ADDED TAX

- 12.1 Except as otherwise provided herein, any sum payable under this Agreement by one Transaction Party which is a party to this Agreement (other than the Issuer or the Security Trustee) to another is exclusive of any VAT chargeable on the supply for which that sum is the consideration (in whole or in part) for VAT purposes and an amount equal to such VAT shall be payable in addition thereto.
- 12.2 Except as otherwise provided herein, any sum payable under this Agreement by the Issuer or the Security Trustee is inclusive of VAT chargeable on the supply for which that sum is the consideration (in whole or in part) for VAT purposes. Section 89 of the Value Added Tax Act 1994 (and any provision having similar effect in any other jurisdiction) is excluded in relation to any sum referred to in this clause 12.2.
- 12.3 The Issuer and the Servicer understand that the services supplied pursuant to this Agreement are currently exempt from Luxembourg VAT in accordance with Article 44.1.d) of the Luxembourg VAT Law. To the extent that, under the terms of this Agreement, the Servicer makes or is deemed to make a supply of the Services to the Issuer or Security Trustee for VAT purposes and VAT becomes chargeable on such supply (whether under the reverse charge mechanism or otherwise), payment from the Issuer or Security Trustee to the Servicer in consideration of such supply shall be reduced to the amount that will result in the Issuer or Security Trustee paying to the Servicer an amount equal to what the consideration would have been had VAT not been chargeable (whether under the reverse charge mechanism or otherwise).

13. WITHHOLDING TAXES

- 13.1 Except as otherwise provided herein, each payment made by a paying Transaction Party to a receiving Transaction Party under this Agreement shall be made without any deduction or withholding for or on account of tax, unless such a deduction or withholding is required by law (or pursuant to FATCA).
- 13.2 Except as otherwise provided herein, if a paying Transaction Party becomes aware that it must make a deduction or withholding for or on account of tax in respect of any payment under this Agreement (or that there is any change in the rate or the basis of such a deduction or withholding) it shall notify the receiving Transaction Party accordingly.
- 13.3 Except as otherwise provided herein, if a deduction or withholding for or on account of tax is required by law to be made by a paying Transaction Party (other than the Issuer or the Security Trustee and other than a FATCA Deduction) the amount of the payment due from such paying Transaction Party shall be increased to an amount which (after making any such required deduction or withholding) leaves an amount equal to the payment which would have been due if no such deduction or withholding had been required.
- 13.4 Except as otherwise provided herein, if a paying Transaction Party makes an increased payment pursuant to clause 13.3 (a "**tax payment**") and a receiving Transaction Party determines that a tax credit is attributable to that tax payment and the receiving Transaction Party has obtained, and utilised that tax credit then the receiving Transaction Party shall pay an amount to the paying Transaction Party which the receiving Transaction Party determines will leave it (after that payment) in the same after-tax position as it would have been in had no deduction or withholding giving rise to the tax payment been required to be made by the paying Transaction Party.

14. **EFFECTIVE DATE**

This Agreement is deemed to take effect on 27 November 2023.

15. **FURTHER ASSURANCE**

Each Transaction Party which is a party to this Agreement (other than the Security Trustee), from time to time, upon the request of the other Transaction Parties which are parties to this Agreement agrees to execute any additional documents and do any other acts or things as may be agreed between the Transaction Parties which are parties to this Agreement which may reasonably be required to give effect to the purposes of this Agreement.

16. **ENTIRE AGREEMENT**

This Agreement constitutes the entire agreement and understanding between the Transaction Parties which are parties to this Agreement relating to the subject matter of this Agreement, and supersedes any previous agreements (if any) between such parties relating to the subject matter of this Agreement.

17. **REMEDIES AND WAIVERS**

17.1 A failure to exercise or delay in exercising a right or remedy provided by any Transaction Document or by law does not constitute a waiver of the right or remedy or a waiver of other rights or remedies. No single or partial exercise of a right or remedy provided by any Transaction Document or by law prevents further exercise of the right or remedy or the exercise of another right or remedy.

17.2 Except where this Agreement specifically provides otherwise, the rights and remedies contained in this Agreement are cumulative and not exclusive of rights or remedies provided by law.

18. **AMENDMENTS**

A variation of this Agreement is valid only:

- (a) if it is in writing and signed by or on behalf of each Transaction Party which is a party to this Agreement; and
- (b) save for any correction of a manifest or proven error or variation of a formal, minor or technical nature:
 - (i) in case of amendments which do not materially and adversely affect the interests of the Lenders and Noteholders and/or any other Transaction Creditor, if it is notified by the party requesting such amendment to the Security Trustee and the Rating Agencies in writing and it has been demonstrated to the reasonable satisfaction of the Security Trustee that such amendment is not materially prejudicial to the interests of the Lenders and Noteholders and/or any other Transaction Creditor; and
